Detention without trial - how Britain will compare

If the government gets its way and extends the limit of detention without charge to **42 days**, how will this compare with the limits set in other countries?

- China 38 days
- Turkey 7.5 days
- Ireland 7 days
- France 6 days
- Russia 5 days
- USA 2 days

(unless you're designated an 'unlawful enemy combatant', of course)

- Canada 1 day
