WELCOME TO OUR THIRD NEWSLETTER

☺ This newsletter is now being circulated to around 200 people per issue. Thank you for all your generous donations, which we rely on to pay for our production costs. If you know someone else who would like to receive a copy of the newsletter, or if you are able to make a donation, please use the form on pages 9 & 10.

☺ Wrexham Peace & Justice Forum now has a new banner, highly topical in view of the Hutton Enquiry. It reads:

THE FIRST CASUALTY OF WAR IS TRUTH

and we intend to hang it from road bridges in the Wrexham area over the next few weeks. If you are able to help out with this for an hour during the morning or evening rush hours, please contact Genny on the number below.

☹ Since our last edition, we have seen a rapid deterioration of the situation in Iraq, with new atrocities virtually every day. The coalition occupying forces have manifestly failed to restore calm and order, and even those Iraqis who had been hopeful of better things under US occupation are now becoming impatient and disillusioned. Read more inside.

☺ We hope you find this newsletter informative and interesting. If you have any comments, contributions or suggestions, please let us know.
