

WPJF WEB SITE

www.wpjf.org.uk

Have a look at our new web site which is now up and running, and includes:

- our latest news and events
- a page of links to other campaigning groups and alternative news sites
- a large collection of photos of our activities
- an archive of our press releases, which makes an interesting history of what we've done over the last year or so.

There are still more photos to put up, and the next project is to add electronic versions of all the newsletters. We welcome suggestions and contributions to the site, to the contact addresses listed on the right. The site was originally programmed by Miles James, of www.littlejoesolutions.co.uk and is now maintained by Tim White.

We also have a yahoo egroup for discussion and news, to subscribe send an email to wrexhamagainstwar-subscribe@yahoogroups.com.

You need to be registered with Yahoo groups to do this, which you can do from www.groups.yahoo.com
