

# INQUIRY INTO THE WAR INSIDE BLAIR'S HEAD

Forget Hutton and Butler !  
The most searching inquiry  
into the PM's thinking took  
place in May 2003...

.. His interview with SAGA  
magazine... ..in which  
he revealed that....

Well, that explains it ! Nobody had thought of  
separating the former from the latter in this  
way before.. ..and here we see an artist's  
impression of what actually happened:

As I get older I pay more  
regard to judgement than  
intellect !!

Let's wait until I've finished my work.

Don't listen to him!  
Let's bomb 'em !

I'm a bit  
deaf in my  
right ear.

y' know,  
let's bomb  
them.
